

Joint International Conference on

ICMAP 2020 & ISFM 2020

The 8th International Conference on Microelectronics and Plasma Technology

August 16-20, 2020 | Phoenix JEJU, Jeju, Korea

The 9th International Symposium on Functional Materials

August 16-19, 2020 | Phoenix JEJU, Jeju, Korea

Topic

- | | |
|---|--|
| 01. Plasma Farming | 07. Modeling and Simulation Techniques /
Fundamental Processes in Plasma |
| 02. Plasma Bioscience & Medicine | 08. Nano & Micro Devices |
| 03. Plasma Deposition | 09. Sensors and Actuators / Flexible / Stretchable Technology |
| 04. Plasma for Nanomaterial Processing /
Next Generation Plasma Etching, Ashing, and Patterning | 10. Energy Related Devices |
| 05. Plasma Process Monitoring Technologies | 11. Functional Materials - Synthesis, Characterizations,
and Application Tests |
| 06. Plasma Sources and Technologies | |

Important Dates

Abstract Submission

From February 3, 2020 to May 15, 2020

Notification of Abstract Acceptance

From March 16, 2020

Pre-Registration

From May 1, 2020 to June 30, 2020

On-line Registration

From July 1, 2020 to July 31, 2020

Conference Chairs

Suk Jae Yoo

(President of National Fusion Research Institute, Korea)

Jin-Hyo Boo

(Sungkyunkwan University, Korea)
